APPELLATION VIN D'ALSACE AOC 750 ml
ALSACE RED WINE
ECOCERT certified – FR-BIO-01

Grapes raised through organic agriculture.
Coming from our hillside vineyards on the famous geological fault of Ribeauvillé.

Our organic vine growers respect the schedule of conditions of organic farming certified by ECOCERT : no chemical fertilizers, pesticides or herbicides are used and the whole vineyards are under grass. This method meant maintaining ecosystem's natural balance. Lower yields contribute also to richness and complexity of our wines.
Grapes are fully hand harvested.
